CONTACTS

THERESE REINHARD
Vice President - Service Delivery
 treinhard@egwusa.com
 (479) 651-7933

Therese began her 25 year gas industry career as the Safety and Training Manager at Arkansas Oklahoma Gas Corporation. Therese continued moving through the ranks and oversaw multiple departments, including Leak Detection, Corrosion Prevention, Line Locating, Dispatch, Integrity Management, Regulatory Compliance, Gas Measurement, Gas Control, and Service Technicians, before being promoted to Vice President of Operations. Prior to joining EGW, Therese managed the Risk Management and Pipeline Safety departments at Stephens Production Company in Fort Smith, Arkansas.

As EGW's Vice President of Service Delivery, Therese uses her expertise and experience to guide our workforce and ensure that we prioritize our customers' needs.

JASON GARLAND
Vice President of Sales & Marketing - Services
jgarland@egwusa.com
(270) 293-9246

Before joining EGW, Jason spent 13 years with Industrial Training Services, Inc., where he helped grow the company from a small regional service provider to one of the top OQ and Database providers in the United States. His passion for the natural gas industry has led him to hold positions on various boards and committees, including the Tennessee Gas Association, Kentucky Gas Association, Alabama Gas Association, Carolina's Public

Gas Association, Louisiana Gas Association, American Public Gas Association, Northeast Gas Association, Southern Gas Association, ASME B31Q Standards Committee, and API OQ Working Group, to name a few.

With his industry knowledge and emphasis on building solid relationships based on integrity, Jason and his team will take great care of your organization.

BERT STEFANIC
Manager - Compliance Services
bstefanic@egwusa.com
(417) 231-5876

With over 20 years of experience working in the natural gas industry, Bert has an extensive background in operating and maintaining natural gas distribution and transmission systems. His past roles include technician, inspector, project/construction manager, operator, operations manager, technical trainer, and OQ evaluator. Bert provides outstanding guidance and support to our dedicated Field Service teams

through his industry proficiency, strong leadership, and a deep understanding of customer needs.

DANNY BARDING
Manager - Field Services
dbarding@egwusa.com
(865) 805-0581

Danny has over 32 years of experience in the natural gas industry, serving in various roles that include constructing and maintaining the systems and transmission lines of a Local Distribution Company. As the Operations Manager for 15 years, he developed and executed important plans such as the Operator Qualification Plan, Drug and Alcohol Plan, and Public Awareness Plan. He also oversaw the successful implementation of

the Transmission Integrity Management Plan (TIMP) and Distribution Integrity Management Plan (DIMP). Danny ensured that the company complied with both the Tennessee Public Service Commission and DOT (PHMSA) Rules and Regulations for both Distribution and Transmission Lines. He holds certifications in welding, heat fusion, and electrofusion.

KURIN DUFF
Service Delivery Administrator
kduff@egwusa.com
(214) 604-7150

Kurin Duff has been an integral part of EGW for over five years, serving in various positions such as Customer Service Representative, Executive Administrative Assistant to the President, Compliance Services Administrator, and is currently the Service Delivery Administrator. Kurin prides herself on taking the utmost care of our customers! Contact Kurin to schedule all of your service needs, including OQ Training & Qualification and Fusion Certification.
